Times table Rock Stars – House Battles

Dear Parent/Carer,

We are now holding Time Table Rock Star battles. Many of the children will have had experience of these in their first schools and you will remember the excitement that the battles created for the children. Maths is a strong focus nationally and while we are looking to develop the children's maths ability, we also want to inspire their passion in maths.

Currently, part of the children's maths homework is to access TTRS weekly. To help with this there is now a timed session on their page. Once they have completed their practice times table they will be able to enter the Battle.

The Battles will be fortnightly and house based. The children will only see the leader board of the battle they are currently in, however, they can still access their class leader board by clicking the drum kit on their homepage and selecting class leader board.

The winners from each battle will be announced in VIP assembly on the respective closing Friday. We are looking forward to seeing the outcomes of the battles.

Yours Sincerely,

Mr Major

Head Teacher: Dr D Craddock PhD MA BSc (Hons) NPQH
