Dear Parents and Carers,

Since our last Ofsted inspection, we have worked incredibly hard together to ensure that our children receive the very best educational provision. We are proud of the strong, inclusive school community we continue to build- one where every child is valued, supported and encouraged to succeed.

We are a **Telling School** and believe that positive partnerships with parents and carers are central to children's success. We are committed to open communication and keeping families well informed about children's learning, progress and wellbeing through termly reports, parents' and carers' meetings, regular communication from staff, coffee afternoons, and a wide range of after-school clubs and enrichment opportunities.

We are also proud to have achieved the following recognitions, which reflect our whole-school commitment to inclusion, opportunity and high standards:

- **Rights Respecting School- GOLD status**
- **School Games- Platinum certificate**
- **Artsmark- Silver award**
- **Eco-Schools Award- Green Flag status**

Our inclusive ethos is at the heart of everything we do. We work hard to ensure that all children feel safe, respected and able to access learning, while benefiting from high-quality teaching, targeted support and opportunities to develop their interests and talents. We continue to work closely with families to ensure support is responsive and well matched.

To help us build on what we have already achieved, we are now launching a **short survey for parents and carers**. Your feedback is extremely valuable and will help us understand what is working well and where we can continue to improve.

**Please note:**

- The survey is **confidential but not anonymous**
- Individual responses will not be shared
- Any reporting will be combined, so no individuals will be identified

This approach allows us to follow up where appropriate while ensuring all feedback is treated with care, respect and professionalism.
