6th January 2022

Dear Parents and Carers,

Tomorrow, we will be finalising our register for clubs starting from next week.

If your child would like to attend any of the clubs overleaf, please can parents and carers [CLICK HERE](#) to sign their child up and select scheduled sessions. This means that we can electronically collate whole school data in an accurate and time effective way and it will only take a minute to check the boxes for club(s) your child wishes to join.

As shared before Christmas, these clubs will commence from week commencing the 10th January 2022 and all afterschool clubs will end between 16.30/16.35.

I also wanted to let you know that SSB are still currently investigating the power supply line from the main road to the school to ascertain why there was a partial power cut this morning. They restored power at lunch time, using a large, portable generator, and this will remain on site to guarantee our power supply until the problem has been resolved.

Thank you for your kind words today and continuing support. Please could you help us to actively encourage your children to take part in these enrichment opportunities which have been evidenced to support children's mental health and well-being.

Kind Regards,

Dr Deborah Craddock

Headteacher: Dr D Craddock PhD MA BSc (Hons) NPQH
Deputy Headteacher: Mrs D East BSc (Hons) PGCE SENDCo

***new for Spring 1**

Gymnastics Afterschool Club: Lucy Hale has been a gymnastics coach for over 20 years, teaching from beginner classes up to high level gymnastic classes. She follows the British Gymnastics award scheme where the gymnasts can work towards earning badges, giving them a goal and sense of achievement. Lucy has a vast understanding of gymnastics having been a gymnast for many years prior to coaching, training at Lilleshall National Sports Centre, competing and coming first in the London regions, performing at Wembley Stadium for the Rugby World Cup Final and much more!

This exciting Gymnastics Afterschool Club will be an all-inclusive, friendly club offering a wonderful gymnastics opportunity for our children in KS2 and KS3. All levels and abilities are welcome and Lucy will structure sessions around all gymnasts' abilities, allowing everyone to develop at their own pace whilst still having fun. Each session can have 12 students so places will be offered to children on a first come first served basis!
