Dear Parents and Carers,

We are delighted to invite you to the **launch event for the National Numeracy Schools and Families Programme**, taking place on **Wednesday 22nd October 2025 at 6:00pm**.

Thank you to those who have already expressed an interest in being part of this exciting initiative. At the launch event, we will share all the necessary details about how the programme will run and provide families who wish to participate with a special **scrapbook** to begin recording the wonderful mathematical activities taking place at home.

We hope you will be able to join us for what promises to be an engaging and informative evening, celebrating the importance of numeracy in everyday life and strengthening the connection between home and school learning.

Please **sign up via Arbor** to confirm your attendance.

We look forward to seeing you there.

Kind regards,

**Miss S Armstrong**
