

Wednesday 8<sup>th</sup> June 2022

Dear Parents/Carers,

**Year 7 Visit to Beaulieu Motor Museum – Thursday 21<sup>st</sup> July 2022**

Unfortunately we are unable to go ahead with this STEM (Science – Technology –Engineering - Maths) trip planned for the end of term due to a lack of pupil numbers. We had a 70% positive response but needed 90% in order to keep costs down to £15.

Thank you for all who responded wanting to attend, we are sorry that we have not been able to progress with this excursion on this occasion. We shall try to organise an alternative STEM trip or activity next year as we feel that it is really important that children have the opportunity to experience such tasks relating to engineering and technology in the real world.

Yours sincerely,

Mr Dér (Maths lead and Year 7 tutor)
