**Gymnastics Afterschool Club:** Lucy Hale has been a gymnastics coach for over 20 years, teaching from beginner classes up to high level gymnastic classes. She follows the British Gymnastics award scheme where the gymnasts can work towards earning badges, giving them a goal and sense of achievement. Lucy has a vast understanding of gymnastics having been a gymnast for many years prior to coaching, training at Lilleshall National Sports Centre, competing and coming first in the London regions, performing at Wembley Stadium for the Rugby World Cup Final and much more!

This exciting Gymnastics Afterschool Club will be an all-inclusive, friendly club offering a wonderful gymnastics opportunity for our children in KS2 and KS3. All levels and abilities are welcome and Lucy will structure sessions around all gymnasts' abilities, allowing everyone to develop at their own pace whilst still having fun. Each session can have 12 students so places will be offered to children on a first come first served basis!
