Dear Parents/Carers,

Year 5 Visit to Winchester Science Museum – Tuesday 20th June 2023

We have been studying Earth and Space in our Science lessons during the Autumn Term. By visiting the Winchester Science Museum we would like to immerse the children into the topic and enable them to explore the Universe. We will look at the Webb telescope and learn how light is used in telescopes. We will also visit the Planetarium to learn about the Moon and the planets.

We will be travelling by coach which will be leaving at 9.15am prompt to arrive at the museum for our session to start at 10.30am. We will leave the museum at 14:15pm with the aim of arriving back in time for the end of the school day.

During this trip we will expect all children to wear their **full school uniform**. Each child will also need their **usual school bag** containing: a **packed lunch, drink** and their **pencil case**. If your child is eligible for Free School Meals and you would like the school to provide a packed lunch, please specify their choice on the form attached and return to the school office by **Friday 9th June 2023**.

To enable this trip to proceed we would be grateful if you could make a contribution of **£14.00** to be paid via Arbor. Unfortunately, if insufficient funds are raised, the visit will have to be cancelled.

The option to book and pay for the trip will be available via Arbor from **Friday 5th May at 4.00pm**

Please could you complete consent and make payment via Arbor by Friday 9th June 2023.

Thank you for your support with this visit and we look forward to an exciting day.

Yours sincerely,

Mrs Fountain Science Leader
