GARDENS NEEDED!

Help us with our new, amazing Poly Tunnel

West Moors Middle School is committed to enabling our children to take part in a wonderful variety of activities. So far, the school's Eco Team has built several planters in school, and has now finished building our very own Poly Tunnel.

In this area we would like to be able to grow fruit and vegetables which our children can eat and cook with!

- Do you have green fingers?
- Do you love working with children?
- Would you like to volunteer to help us manage this amazing space?
- Any time, no matter how small, all adds up!

If you have answered yes to the above questions, please contact our school's Eco Leader, Miss Willis KWillis@westmoorsmid.dorset.sch.uk

THANK YOU FOR YOUR CONTINUED SUPPORT,

From Miss Willis and the Eco-Warriors
