

Autumn First Half Term Clubs

Dear Parent/Carer,

In line with the Government's guidance, schools can choose to operate after school clubs from September 2020. The following clubs will be available during the first half of the autumn term (starting in the week beginning 14th September 2020).

- We will keep children in small groups of no more than 15 children. These will be delivered in same year group bubble. The clubs will be rotated across the year groups throughout the year so please keep a look out for the next letter.
- To help us review our groups, we will keep up-to-date records of our children attending our setting **for at least 21 days** and the specific groups and members of staff they have been assigned to in our setting.

Children should pay attention to notices given out during tutor time and assemblies, for further information. Parents will be informed in the event of a club being cancelled.

There will be further opportunities for clubs later in the term, we will inform parents in due course.

Eco Club

We are very excited to announce that West Moors Middle has signed up to be an Eco School! Together we will be exploring how to make our school more efficient e.g. can we reuse and recycle our waste? We will also be starting our own mini allotment and thinking about being a global citizen.

I am looking for a committed group of children who would like to join this committee and attend a weekly club after school on a Monday, beginning Monday 14th September

Due to current guidelines, I am only able to have 2 children per year group, to ensure social distancing is maintained. If I get many responses, I will pick children out of a hat, and will aim to rotate this committee every half term.

I am very excited to begin our Eco Schools Journey.

Please can you let me know below if your child is interested in being part of this exciting new committee?
