

2<sup>nd</sup> November 2020

Dear Parents/ Carers,

### **Birthday Celebrations in School**

We have something really special that we would like to introduce here at West Moors Middle School.

As a result of the current Covid restrictions, many children are missing out on celebrating their birthday with family and friends as they usually would, with parties or gatherings that are currently not allowed during this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and school and their emotional wellbeing is something that is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their class friends! We have decided we will hold a birthday party within each tutor group bubble on the last Friday afternoon of each month, this will be to celebrate all children who have had their birthday that month.

All children will have their home/ school packed lunch as normal. During the afternoon (the last Friday of every month), school will provide fun games, activities, treats and a party atmosphere. There will also be a little cake for each birthday child! All of the party costs will be covered by school.

Children must still come to school in their normal school uniform.

If your child has already had their birthday during September and October, they will be included in the first birthday celebration after half term.

We look forward to beginning this, giving every child the opportunity to celebrate with their friends and mark their special day!

Yours Sincerely

Dr Deborah Craddock  
Headteacher
