Dear Parents/Carers,

This term, in computing lessons pupils will be using Edmodo, which is a free and secure online learning platform where teachers and students can collaborate, share content, and use educational apps to augment in-classroom learning. Within this private learning environment that is managed by the teacher, students can only interact with others in the class. Edmodo provides a safe and easy way to connect and support learning beyond the classroom.

Edmodo will enhance the learning experience and help students develop important online skills. On Edmodo, students will be able to:

- Participate in class or group discussions that are monitored by the teacher (students cannot send private messages to other students)
- Communicate directly with the teacher to ask questions and get help with work
- Keep track of important due dates, events, and tasks
- Receive and turn in assignments and quizzes
- View missed work when absent from class
- Access Edmodo from any computer device with Internet capabilities

In order for your child to use Edmodo, he or she must have your permission, and you must read and agree to the Edmodo Terms of Service (<http://www.edmodo.com/corporate/terms-of-service>) on your child's behalf. You must also read and agree to the Edmodo Privacy Policy (<http://www.edmodo.com/corporate/privacy-policy>). Edmodo takes privacy seriously and has received the TRUSTe Children's Privacy Seal to verify this. The only information required from students to set up an Edmodo account is the teacher's class code, their name, a username and a password. Please review the Terms of Service and Privacy Policy with your child and note that these policies may change over time, so you should review them again when you or your child receives a notification that they have been updated.

To enhance learning activities, I may choose to use certain educational applications from the Edmodo Store. This digital content is offered by vetted third-party publishers who have their own privacy policies but are required to abide by Edmodo's privacy policy standards.

I hope that your child will enjoy using Edmodo and gain beneficial skills this year. You can learn more about Edmodo by visiting www.edmodo.com

Yours sincerely

Miss C Belcher
