Dear Parents/Guardians

Re: Parents' e-safety information event on Thursday 8th March at 3:30pm

Living in the modern, ever changing world where social media and screens play an important part in the lives of our children, it is important that parents stay up-to-date on matters relating to e-safety. I have therefore, arranged for an information event for parents to be held at West Moors Middle on Thursday 8th March at 3:30pm. The event will be led by members of the Safe Schools and Communities Team of Dorset Police and will aim to inform parents about how they can ensure that their children engage in safe activities online, whilst hearing about the latest trends and potential pitfalls to avoid.

The school will provide refreshments and there will be the opportunity for any accompanying children to watch a film in a supervised room in school as some of the content of the police talk may not be suitable for children.

If you would like to attend this event, please complete and return the reply slip below.

Yours faithfully
