

**Expression of Interest for Breakfast Club, After School Club and Holiday Care at West Moors Middle School.**

We are looking at the possibility of introducing an Outside School Hours Care service from September 2018 and are asking families to please complete this survey to show their support. Please return your survey to the front office by **Friday 21<sup>st</sup> September** to enable us to make decisions on the viability of this idea.

**After School Care**

The After-School Club would potentially run from the end of the school day until the early evening (exact closing times subject to the results of our survey but would most likely be 6.00pm). At the After School club children would be involved in a variety of planned activities, homework and periods of free play. The emphasis would be on relaxation and fun but structured in such a way as to be of benefit to their development. A healthy snack (not a full tea time meal) would also be provided.

The external provider could offer a sibling discount of 10% for second child and 15% for third and subsequent children.

Childcare Vouchers can be used once the Ofsted Registration Certificate has been issued.
