**Ofsted Inspection December 2018**

Dear parent/guardian,

On Friday 21<sup>st</sup> December, I received the final version of our inspection letter following the short inspection carried out on Thursday 6 December 2018. I have attached a copy of this official letter on the website as well as issuing a copy via parentmail.

There is **no change to the school's current overall effectiveness grade of good as a result of this inspection**. However, as a Headteacher who is ambitious for your children and for the overall prosperity of West Moors Middle School, I can assure you that I am now focussing my efforts on addressing the areas for improvement that are identified in the inspection letter.

Working with school governors, local authority advisers and school leaders, I have already started the process of repurposing our on-going school development work and self-evaluation systems so that we can rapidly address the areas identified by Julie Carrington (HMI).

In the meantime, if anyone would like to talk to me about the content of the inspection letter or our school improvement strategy moving forward, please do not hesitate to make an appointment, via the school office, during the upcoming parent consultation evenings (Tuesday 15<sup>th</sup> January, Wednesday 16<sup>th</sup> January 3:40 – 6:40).

Yours faithfully

Mr J Rielly

Headteacher
