

Careers Statement

At West Moors Middle School we are devoted to making sure every child's life is meaningful and that everything we do for our children is rooted in our core values of **resilience, respect, reflectiveness, inclusiveness, imaginative, collaboration, courage, independence, determination, kindness, preparedness and positivity.**

This includes not only preparing pupils for their next steps, but also encouraging them to look further forward to what they might want to achieve in their future education and subsequent careers.

Our Core Values encourage all children to be inclusive in what they do and inspire each individual to go beyond their own limits. This includes the highest standards of academic, moral and cultural development whilst they are at WMMS. We celebrate the values and qualities that will enable young people to thrive in whatever path their life takes. Likewise, we also encourage pupils to aim high, in their future aspirations, no matter their ability now, and to start thinking about paths to achieve the very best futures for themselves.

In all workplaces the ability to work hard and show resilience to go beyond what we think we are capable of is a cornerstone to success. Our desire is to build resilience in young people no matter what their circumstances. We believe this will stand our students in good stead when it comes to gaining entry to their chosen careers, as well as subsequently progressing to the highest levels within those careers.

The most successful people are those who enjoy what they do, what they contribute and/or what they create. In a world of increasingly rapid technological, social change and growing globalization. Enjoyment in work allows for excellence and the ability to work hard no matter the challenge and enables us to thrive and adapt in any environment.

The staff at West Moors Middle School are devoted to making each and every child realise their potential and reach for their dreams.

"Don't give up on your dreams, or your dreams will give up on you." -- John Wooden.
