

# YEAR 7 D & T

---

## Autumn Term – Mystery Door

### SKILL LEARNED

Research and analyse existing works to inspire designs. Design a product that fits the brief and the design specification. Use the machines safely and successfully to make a well-made creative piece.

---

### ENQUIRY QUESTIONS

- How has your research on folklore informed your design?**
- What machines will you need to use to create this product?**
- Which materials will be used to create the product?**

Outcome – Mystery door
